

IV Therapy

IV Therapy vitamin infusions are the fastest way to replenish your body's fluids, electrolytes, antioxidants, minerals, and vitamins at the cellular level. Absorption rate is 90-100% as opposed to 20-50% when taken orally.

MYER'S COCKTAIL (Energy & Hydration)

Energy boosting infusion with hydration and immune support. Helps with chronic fatigue, fibromyalgia, dehydration, flu/colds, hangovers, and headache. Contains vitamin C, B complex, magnesium, and calcium.

30 minutes | \$135

FAT BURNER

Essential amino acids, antioxidants, and nutrients that naturally support your weight loss efforts as well as help with insulin signaling, fat metabolism, methylation, neurotransmitter synthesis, and liver support. Helps with obesity, PCOS, insulin resistance, diabetes, fatty liver disease, depression, and anxiety. Contains magnesium, calcium, vitamins B & C, L carnitine, methionine, inositol, and choline.

45 minutes | \$175

VITAMIN C

Antioxidant to boost immune function, decrease inflammation, and cleanse. Great for flu/colds, wound healing, chronic fatigue, and in high doses as an adjunctive therapy in cancer treatment (enhancing the effectiveness and reducing side effects of chemotherapy).

Moderate 10g 30 minutes | \$100

High 20g 60 minutes | \$150

ALBUMIN INFUSIONS

Can be an effective and well-tolerated treatment hypovolemia in postural orthostatic tachycardic syndrome (POTS) to improve symptoms and decrease tachycardia.

100 ML | \$250

200 ML | \$425

NAD(Anti-Aging)

Critical coenzyme needed in every cell in the body for energy production. NAD is involved in inflammation, immunity, and longevity. It can enhance mental focus/clarity, repair DNA, boost energy, improve athletic performance, increase metabolism, improve emotions, reduced inflammation, support weight loss, and improve healthy aging. Great for chronic fatigue, anti-aging, memory - Alzheimer's & Parkinson's, substance addiction, and withdrawal.

100mg 90 minutes | \$135

200mg 90 minutes | \$175

250mg 120 minutes | \$250

300mg 180 minutes | \$325

400mg 210 minutes | \$375

500mg 240 minutes | \$450

600mg 240 minutes | \$500

800mg 300 minutes | \$575

1000mg 360 minutes | \$650

GLUTATHIONE (Master Antioxidant)

Powerful antioxidant found in every cell of the body which helps with detoxification and prevention of cell damage. It can help protect you from disease, slow cancer progression, improve energy levels, enhance memory/focus, reduce inflammation, support cell repair, and improve insulin sensitivity. Great for liver disease (fatty liver), autoimmune/inflammation diseases, memory - Alzheimer's & Parkinson's, and chemotherapy.

200mg 60 minutes | \$75

400mg 120 minutes | \$125

800mg 180 minutes | \$150

1000mg* 210 minutes | \$200

*(Dose 1000mg requires a body weight of 220 lb)

DO NAD & GLUTATHIONE SAME DAY TOGETHER GET 10% OFF

HEADACHE HELPER

Combo of medications to treat a severe migraine attack that is not responding to OTC meds. Contains vitamin C, B complex, magnesium, calcium along with small amounts of lidocaine, Toradol, and zofran.

Quick Fix 250 mL total 20 minutes | \$90

Full Fix 500 mL total 45 minutes | \$155

IV RECOVERY (Muscle Support)

Energy boosting infusion with hydration plus inflammation support. Helps with sore muscles and provides a speedy recovery while putting your immune system into overdrive. Contains vitamin C, B complex, magnesium, calcium, toradol, and Pentosan polysulfate which helps reduce inflammation, nausea, and aids in healing/recovery.

45 minutes | \$190

IV IRON

Essential mineral needed for formation of red blood cells which carry oxygen. Helps with fatigue, weakness, shortness of breathe, dizziness, cold hands and feet, hair loss, and restless legs.

60-90 minutes | \$250

SIMPLE HYDRATION

1L of normal saline use to replace fluid and electrolyte losses in dehydration to restore the body's fluid balance.

30 minutes | \$50

Add On's

STANDARD FOR ANY IV \$25 for 1 or \$40 for 2

* Toradol (helps with inflammation)

* Zofran (helps with nausea)

* Benadryl (helps with itching and nausea)

PREMIUM FOR ANY IV \$50 for 1 or \$80 for 2

**Pentosan polysulfate (helps reduce inflammation, nausea, & aids in healing / recovery)

** IV Vitamin C 5 g (boost immune function, decreases inflammation, & cleanses)

DO NAD & GLUTATHIONE SAME DAY TOGETHER GET 10% OFF

Ozone and EBOO Therapy

OZONE

Kills bacteria, viruses, and fungi via UV light and infuses ozone into your blood which improves oxygenation, circulation, improves immune function, increases detoxification, and reduces inflammation.

Every service will conclude with 200 mg IV glutathione after your ozone or EBOO treatment so you detoxify better.

LOW DOSE

30 Minute treatment where most people should start to make sure they can tolerate treatment. Typically can do 1-2 treatments and then move up to higher dose treatments if they tolerate low dose. Very chronically ill patients will stay on low dose longer. Recommended treatment is twice per week.

1 treatment | \$280

Package of 10 Treatments | \$2,500

HIGH DOSE

45 Minute treatment where healthy people can start. This is GREAT for athletes prior to games or if someone wants to be in top performance. Recommended treatment is twice per week.

1 treatment | \$600

**Package of 6 Treatments | \$3,200
(recommended)**

EBOO

This is for patients that can tolerate at least a few low dose sessions or 1 high dose session. This is great for pre surgery to decrease pain and speed up recovery, chronic inflammation/pain, COVID, post season recovery for athletes, biohackers, or someone that wants to stay healthy/young. You should do this treatment once a month for longevity but weekly for acute conditions.

1 treatment | \$1,500

Package of 3 Treatments | \$4,000

Additional Packages

**1 Low Dose and 5 High Dose Series
\$2,900**

**1 Low Dose, 1 High Dose and 1 EBOO Series
\$2,000**

**3 Low Dose and 3 High Dose Series
\$2,300**

Red Light Therapy & Cold Plunge

RED LIGHT THERAPY BED

Targets skin and cells by boosting the production of mitochondria to provide a range of benefits including cell renewal, reduced inflammation / pain relief, improved muscle recovery, enhanced circulation, improved hair growth, and reduced cellulite.

Per Session | \$ 25

Package of 5 Sessions | \$100

Package of 10 Sessions | \$175

Package of 20 Sessions | \$300

Unlimited per Month | \$ 99

COLD PLUNGE

Benefits include improved immune function, decreased muscle soreness and increased recovery, improved sleep, increased alertness and energy, and increased resilience to stress.

Per Session | \$ 10

Package of 5 Sessions | \$ 45

Package of 10 Sessions | \$ 80

Package of 20 Sessions | \$150

Unlimited per Month | \$ 50

Sexual Wellness & Cellulite Treatment

SHOCKWAVE TREATMENT

A non-invasive treatment that utilizes high-energy acoustic waves to stimulate the body's natural healing process. It can help relieve pain and promote healing of injured tissues, tendons, and ligaments. It can also be used to treat erectile dysfunction by promoting increased blood flow and breaking up blood clots and scar tissue within the penis. Shockwave can also help improve the appearance of cellulite by breaking up the collection of lumpy and bumpy fat under the skin.

ERECTILE DYSFUNCTION

Package of 6 Treatments | \$1,800

Package of 6 with 1 Pleasure-Shot | \$3,500

CELLULITE

Per Treatment | \$100

Package of 10 Treatments | \$850

MUSCLE/JOINT

Per Treatment | \$50

Package of 4 Treatments | \$175

Hyalgel (joint injection)

Per Joint Injection | Starts at \$1000

HAIRLOSS TREATMENT

Uses cellular tissue products injected under the skin of the scalp to promote hair growth.

Package of 3 Treatments | \$2,250

**Patients will receive red-light therapy after each treatment at no additional cost for best results.*

WOMEN'S PLEASURE SHOT

Uses cellular tissue products that are injected into the tissue of the vagina. This promotes vaginal elasticity, improves sensation, and improves vaginal dryness. It is recommended that patients have 1 to 2 Pleasure Shots per year.

Per Treatment | Starts at \$1,500

Package of 2 Treatments | Starts at \$2,500

MEN'S PLEASURE SHOT

Uses cellular tissue products that are injected into the shaft of the penis. This helps with erectile dysfunction by promoting healing and circulation. We recommend that patients pair the shot with our shockwave procedure. It is recommended that patients have 1 to 2 Pleasure Shots per year. Includes penis pump.

Per Treatment | Starts at \$1,900

CELLULAR TISSUE PRODUCTS

Human cellular tissue products are generated by all cells. These are given by IV, intranasally, or into a joint to reduce inflammation and promote healing.

EV + (IV) | Starts at \$4,000 per infusion

EV+ (Intranasal) | Starts at \$4,000 per treatment

EV+/WJ+ (IV) | Starts at \$5,500 per infusion

**Both IV options include 2g of Magnesium, 10g of Vitamin C, and 400mg of Glutathione infusions at no additional cost.*

We recommend that patients pair cellular tissue product IVs with Ozone (1 treatment before and an additional treatment 3-4 days after exosomes). We will offer a 25% discount on Ozone treatments if purchased in combination with cellular tissue products.

Aesthetics

Weight Loss

SKINNY B SHOTS: B12/MIC

The combination of these ingredients aide in metabolism. Methionine speeds up fat removal within the liver and neutralizes toxins, promoting lean muscle growth. Inositol helps the liver break down fat and improves insulin signaling for better utilization of blood sugar. Choline helps with fat utilization plus assists in detoxification in the liver.

\$40

SEMAGLUTIDE & TIRZEPATIDE INJECTIONS

Weekly injection that mimics a native human hormone called GLP1. This hormone targets areas in brain which regulate appetite and food intake. It also slows gastric emptying, stimulates glucose dependent insulin release, and inhibits post meal glucagon release. All these things lead to appetite suppression, metabolic stability, lower glucose levels, and ultimately can help you eat less and lose weight. Many times they lead to lowering of BP, cholesterol, and blood sugar as well.

Price starts at per dose

\$50 for Semaglutide

\$100 for Tirzepatide

Microdoses starts at per dose

\$25 for Semaglutide

\$50 for Tirzepatide

FAT BURNER (IV Infusion)

Essential amino acids, antioxidants, and nutrients that naturally support your weight loss efforts as well as help with insulin signaling, fat metabolism, methylation, neurotransmitter synthesis, and liver support. Helps with obesity, PCOS, insulin resistance, diabetes, fatty liver disease, depression, and anxiety. Contains magnesium, calcium, vitamins B & C, L carnitine, methionine, inositol, and choline.

45 minutes | \$175

BIOIDENTICAL HORMONE PELLETT THERAPY

Bioidentical hormone therapy that is plant based (no synthetic hormones) for symptoms of hormonal imbalance. If you suffer from insomnia, increased fat mass/weight gain, hot flashes, memory issues, brain fog, extreme lethargy, mood swings, vaginal dryness, or ED we should discuss hormone replacement therapy.

Male \$725 | Female \$350
